Michael Randall
Vice President, Worldwide Business Development
ITA Software

Michael Randall is Vice President of Worldwide Business Development for ITA Software. Based in Cambridge, Massachusetts and Geneva, Switzerland, Michael is responsible with his team for developing ITA Software's commercial relationships with airlines and travel distributors. His career includes three years with Amadeus, where he advised the Chief Executive Officer on the company's IPO. Previously, he held senior management positions with Cable & Wireless plc, a global communications company based in London and Hong Kong, Coopers & Lybrand, and The Royal Bank of Canada. Michael is a graduate of McGill University and has a MBA from IMD, Geneva.
