

Miles Baum

Head of Travel, N.A. Enterprise Solutions, PayPal

As a veteran in the travel space, Miles has been a market leader in merging the crossroads between leisure travel markets and B2C payments for PayPal, PayPal Credit and Venmo.

His mission is consultatively serving his portfolio for merchant growth, expanding horizons and breaking perspective barriers.

Through his portfolio management, PayPal has experienced 30+% YOY volume growth each of the last 9 years while incrementally expanding PayPal's footprint with additional merchant clients.

He also manages B2B payments in the travel space utilizing PayPal's advantages of the two-sided network, local currency accounts and fair pricing.
