

Julie Kyse
Vice President, Transport Partner Services and Air Optimization
Expedia Group

Julie Kyse serves as Vice President of Transport Partner Services and Air Optimization for the Expedia Group, one of the world's largest travel companies. In this role, she leads an experienced team of account managers who are responsible for managing the Expedia Group's relationships with airline partners in the Americas, Europe, Middle East and Africa, and support the marketing and distribution of airlines and schedules on Expedia®, Travelocity®, Orbitz® and Hotwire® consumer travel sites. Her team is also responsible for optimizing the Air Shopping display on Expedia Group's worldwide sites.

Julie joined the Expedia Group in September 2011. Prior to that, she worked at British Airways for sixteen years in a variety of Sales and Marketing roles including managing the commercial team in Latin America and Caribbean.

She holds a BA from the University of Richmond - Virginia and an MA in Latin American Studies from the University of Texas - Austin.

Julie lives in Miami, Florida.
