Managing Director

Alternative Airlines

Sam Argyle is Managing Director and Owner of Alternative Airlines, a global flight search and booking site. Having previously worked as an investment banker with Rothschild, Sam joined Alternative Airlines in 2015 and became Managing Director in 2017. During this time, Alternative Airlines was awarded a place on the 2019 UK Sunday Times Tech Track List showing the fastest growing tech companies and growing from 6 to 60 employees. Focusing exclusively on flights, they offer a complete, convenient, and personalized booking experience regardless of location, demographic, or reason for booking. Alternative Airlines recently announced a 196% increase in sales in 2021 to £28m.
