**Head of Travel**

**Trustly**

Simon has more than 12 years experience within the Travel payments industry, initially working in the issuing space with Travelex and later MasterCard before moving into acquiring & Gateway solutions with PXP Financial. In 2016, Simon joined Global bank payments company Trustly to drive the strategic development of Trustly's Travel business, highlighting the value of direct bank payments for Airline and Travel businesses. He's passionate about helping these businesses drive down costs and increase efficiency in an ever-changing payments landscape.
