

Jon Cole

Director of Product and Technical Solutions

Office Location : Welwyn Garden City

Year joined TNS : 1991-2003, 2009 onwards

Jon started his IT career with Merck and then Thorn EMI Datasolve before joining TNS in the early 1990s, and is a now payments veteran with over 30 years' experience. He has performed numerous roles throughout his TNS career, including Operations Support, Programming, Project Management, Product Management and Pre-Sales Support. He has lived and worked in numerous countries including Australia, Canada and the US.

Jon has worked predominately in the ATM and POS sectors and has management experience working for an ATM Manufacturer and an Independent ATM Deployer.

Outside of work and away from family life, Jon spends most of his spare time either on the golf course or most evenings in the Dojo practising mixed martial arts. He's also a keen skier and has skied 6 of the 7 continents.
