

**Max Rayner**

**Partner**

**Hudson Crossing**

Max is an accomplished technology and product executive with more than 30 years of experience with leading technology and travel & hospitality companies. Max has advised leading global OTAs, metasearch engines and NDC aggregators, ecommerce companies, major private equity and strategic buyer transactions, and new product introductions for travel technology vendors.

Prior to joining Hudson Crossing in 2012, Max served as TravelClick's SVP of Product Engineering & General Manager for Reservations Solutions, leading a team focused on hotel distribution and SaaS e-commerce solutions. Max also served as CTO at Travelzoo, EVP of Products & Services and CIO at Internet security company SurfControl, VP of Systems Architecture at Salesforce.com, and Director of Data Warehousing and Business Intelligence at Sun Microsystems.

Max was born in Africa and educated in Europe and the United States. He has an M.B.A. in Finance from UCLA and is based in Palo Alto, California.
