**Wego**

Ross Veitch is the CEO & Co-Founder of Wego, the leading online travel app in the MENA region. Wego combines a dynamic travel marketplace with on-platform bookings, enabling travelers to easily search, compare, and book flights and hotels across hundreds of airlines, hotels, and OTAs. Beyond its B2C focus, Wego also operates WegoPro, a next-gen business travel platform and WegoBeds, a MENA focused bedbank. The company is backed by Tiger Global, Ares Management, Square Peg Capital, MBC Group and Arqaam Capital. Prior to founding Wego, Ross launched Yahoo!'s Southeast Asian operations in 1998 and led product development across the region. He also held positions at Tourism Australia in Sydney and Deutsche Bank in London. He's been an angel investor for 20+ years and enjoys working with early stage entrepreneurs. Ross has previously lived in Sydney, Melbourne, London, and Kuala Lumpur, and now divides his time between Wego's dual-HQ's in Singapore and Dubai.
