

Biography

Sean Holdstock, Head of Aviation EMEA at Antom.

Sean is based in the United Kingdom and works out of Antom's London office. He joined Antom in 2025 and holds the position of Head of Aviation EMEA, driving growth and innovation across the travel and aviation industry.

Sean has worked within the payment's ecosystem since 2009 and has experience across the acquiring, issuing and APM landscape. The majority of Sean's tenure in payments has been dedicated to servicing airline and travel merchants, across companies such as Amadeus, Sabre and UATP.

About Antom
